

Dry Vitamin A Palmitate 250 CWS

Description

DRY VITAMIN A PALMITATE 250 CWS is a light yellow, fine granular powder. The individual particles contain Vitamin A palmitate finely dispersed in a starch coated matrix of Gum Acacia and sucrose.

Dispersability

Dry Vitamin A Palmitate 250 CWS disperses quickly and completely in cold water, fruit juices, milk and other liquids. High concentrations give cloudy dispersions which however remain uniform for relatively long periods.

Specifications
