

Celebrate Our Sunshine. B&D Now Offers Vitamin D.

B&D Nutritional Ingredients has partnered with AGD Nutrition to bring our customers vitamin D. AGD, one of the largest global marketers of vitamin D, has a broad product line and is well suited to continue its human nutrition business from their historical roots in the animal nutrition market.

Vitamin D is available in pure crystalline, oil and powder forms and is allergen-, animal- and GMO free.

At B&D, we strive to be your first choice of supply for manufacturers and marketers of dietary supplements, functional foods and personal care products by partnering with and representing trusted manufacturers of premier raw-material ingredients. We offer great value at a great price.

Give us a call or visit our web site today to learn more about our unrivaled customer service and prices:
